- Online assignments should be completed on Canvas or MyLab Spanish, as indicated in this document. They are due on **Sundays at 11:59 p.m.**, unless stated otherwise in this document. **Technical problems are not an excuse for not completing these assignments.** Plan accordingly. If you have any questions about the content of the assignments, please email your instructor. If you do not receive a response from your instructor within 48 hours (Mon – Fri) or 72 hours (weekends), email the administrative supervisor, Borja Gutiérrez, at bxg207@psu.edu. - There will be three writing assignments (*escrituras*). They must be a minimum of 85 words long. Each *escritura* will have a first version and a final version. **The first versions** will be written in class on the dates indicated in this document. When writing in-class *escrituras*, **you will NOT be allowed to use any electronic devices**, but you can use your textbook, notes, and a traditional (paper) dictionary. You may NOT totally or partially copy or adapt sentences from your textbook or elsewhere. All versions of your *escrituras* must be produced by you. They may NOT be written, corrected, or edited by **anyone other than you**. Doing so will be considered plagiarism and you will receive a zero on the assignment (first and final versions) and it will be reported to the College of Liberal Arts. **The final version** is a rewrite of the first version, following the instructor's comments. They are due at the beginning of class on the days specified in this document. They must be typed with Arial 12 font, double-spaced,

1" margins and **printed out**. If the final version is not typed, there will be a 0.5-point deduction in the assignment grade. See the policies for more information on *escrituras*. Each version of the *escrituras* will be returned to you corrected and graded one week after you turn it in. If you experience delays in receiving corrected *escrituras*, please contact the administrative supervisor, Borja Gutiérrez, at bxg207@psu.edu.

- There will be four **closed-book exams** in this course. **Exams 1, 2, and 3** will include five sections: listening comprehension, grammar, vocabulary, reading comprehension, and a 75-word essay. They will take place at the [Pollock Testing Center](https://www.testing.psu.edu) (<https://www.testing.psu.edu>) on the dates specified below. You will receive an email from the Testing Center at least one week prior to the start of the exam. This email will contain a link to the scheduling webpage where you will be able to select your testing time slot. You will have 75 minutes to complete these exams. The day you're taking the test, **you must bring your Penn State ID and your own traditional wired earphones with a 3.5 mm jack**. The Testing Center will provide you with a piece of bar-coded paper to use during the exam. You must SCAN and RETURN the entire sheet of paper before leaving the Testing Center. **Failure to do so may result in a zero for your exam grade.**
